Grab your hat and read with the Cat!

KDSBITS

March 2018

Dear Parents-

February has been a busy month here at Meadowlark. The month of February has been "I love to Read Month". We have celebrated reading all month with many activities. At the end of the quarter, students in each grade who have earned tickets by reading will be entered into a drawing for one of seven kindle-fires that were donated by the Chinook Masons. The 3rd quarter ends on March 16th, and parent teacher conferences are scheduled for March 26th and 27th. We look forward to this time to visit with you and share your child's accomplishments.

This past month Kindergartners had the opportunity to take a field trip to the post office. Third graders went on a virtual field trip to learn about wetland habitats. Fifth graders went on a virtual trip to Zion National Park. Second graders and Kindergartners went on a virtual field trip to an aquarium in California to learn about penguins. Third Graders made biomes this month that are on display at Meadowlark and will be displayed at First Bank starting March 19th.

Mr. Jon Martin, Principal

REMINDER: IF YOU WOULD LIKE TO JOIN YOUR CHILD FOR LUNCH, PLEASE LET YOUR CHILD KNOW TO ADD YOU TO THE LUNCH COUNT OR LET THE OFFICE KNOW TO ENSURE THERE IS ENOUGH FOOD.

Big thank you to the Chinook Town Pump and ExxonMobil!

As part of their Educational Alliance program, ExxonMobil and the Chinook Town Pump have again presented the Meadowlark with a \$500 grant, which will help fund Science Activities and purchases.

Bus Zone

Please remember that the bus zone in front of the school is not for parking or dropping off your child... This is ONLY for the buses TO LOAD AND UNLOAD children safely!!!! Also, please be aware of our handicapped zone and do not park there.

From Jana McPherson-Hauer

Chinook Public Schools has a communicable (contagious) disease policy that states those who exhibit signs of a communicable disease be excluded from school. This is a strategy to protect the health of other students and staff. It also provides an opportunity for the ill child to rest and get hydration and nutrition needed for recovery. When we take steps to prevent illness, we still may get sick, but the effects can be lessened.

The MBI team is currently implementing a student job program. Jobs available include office assistant, library assistant, lunchroom helper, recess helper, hall monitor, greeter, and flag attendant. All students are welcome to apply for a job. Job responsibilities will last for one week. We have seen a lot of interest already!!

Student of the Month!

| Hinebauch - Addison Olsen | MacLeod - Kiera Hellman |
| Downs - Jenna Liddle | Rose - Britton Elliot |

Thank you very much...
for calling or e-mailing
if your child will be
late or absent.

Call Melissa at 357-2033 or email
evansm@chinookschools.org

The more that you read,
the more things you will know.
The more that you learn,
the more places you'll go.

-- Dr. Seuss

Good Job Spelling Bee
participants!

Chinook Parent-Teacher Organization
